PRESIDENT'S MESSAGE

Here it is time for the Nationals again! I think we've had a good year. We've picked up four new chapters this year--the latest is "The Yankee Chapter" on the east coast. We welcome them.

We are thinking about splitting up the Eastern Region to help out Russ Hoeksema who is the director for that region. Anyone who has a suggestion for a North Eastern Regional Director please let me know.

Our Editor, Bronson Netterville, is resigning so he can take on more responsibility with the church, so we are in need of a new Editor. Any of you with that talent and knowledge please step forward--WE NEED YOUR HELP. Bronson has done a fantastic job as Editor and will be greatly missed.

There have been some misunderstandings about loaning money to Chapters for National and Regional meets. I need to know four months in advance so I can check with the Treasurer and make sure the money is available when you need it. Our insurance for these meets only covers paid up dues members of the FCA. The FCA charges the hosting chapter \$300 for National meets and \$100 for Regional meets. This is cheap!

Ray Johnson, President of the River City Chapter, reports that they had 52 cars registered at their Regional meet and picked up some new members. Dan Amey, President of the Suncoast Chapter, said they had 50 some cars. Both said they had a lot of fun. Sounds like they were both a big success. Wish I could have attended both of them.

Again, if anyone has anything they would like to have on the agenda for the business meeting in Oklahoma City, please contact me or your Regional Director.

I hope everyone has their Falcons ready to roll to Oklahoma City so we can make this our biggest and best FCA National Meet yet. I've been told that we will have magazine coverage, so maybe some of our Falcons will become stars!

Thank you for allowing me to be your President this past year. I'm looking forward to seeing you in a few days. Drive carefully.--Jim Hatcher, FCA President

TECHNICAL HELP WANTED

I will be parking my 65 hardtop in an outdoor lot (with car cover) after 26 years of faithful everyday use. I would like input from the membership regarding the most effective way to prepare my car for its winter nap. Any ideas?--Marin F. Ennis, 1405 Dogwood Dr, West Lawn, PA 19609.--Thank you!

PACIFIC REGIONAL MEET REPORT

The River City Chapter in Sacramento, CA reports that the 1st Pacific Regional Meet was an enormous success. With over 75 cars showing up for the 3 day event at the Towe Ford Museum, there was ample proof that interest in Falcons is thriving on the west coast. Several FCA members from Washington participated.

Special features of the Meet included a cruise night to the most popular hamburger stand in Sacramento and a Show 'n Shine on Saturday that drew admiring Falcon fans from throughout the greater Sacramento Valley and San Francisco Bay area. Mark Milton, the Regional Meet Coordinator and President-Elect of the River City Chapter, reported that the Meet went so well that Chapter members have already met to begin planning for another meet next year. "We anticipate registering over 100 cars next year," said Milton, and the Chapter is planning for even more activities and refinements to make next year's meet another success. The River City Chapter hopes to use its successes in hosting Regional Meets as the basis for hosting the National Meet, either in 1994 or 1995. (Editor's note: pictures will appear in the next quarterly issue of "The Falcon News.")

SUNSHINE STATE REGIONAL MEET REPORT

June 13-16, 1991 the Suncoast Chapter held its 1st Annual Sunshine State Regional Meet at the Ramada Central Hotel in Orlando, FL. We had 40 cars attending the show. States represented were Mississippi, Kentucky, Texas, Ohio, North Carolina, South Carolina, Georgia, and Florida. All that attended had a great time and enjoyed the fellowship with each other. Thanks to all that gave of their time and energy and helped make our Regional Meet a successful event!

AN OPEN LETTER

Dear Houston Area Falcon Club Members:

My name is Bobby Ray. I am trying to see if there is enough interest in forming a local chapter in the Houston area. If I get enough responses I will then try to set a meeting to get everyone together for a discussion on planning the chapter, how many times a year we would meet and other such topics. So, if you even think you might be interested drop me a note or give me a call. Heck, if nothing else, we can just have the one meeting so all the Falconers in this area can meet everyone else. Thanks. Bobby Ray, 12223 Thaman, Dickinson, TX 77539. Phone 409-925-1717.

I, Donald E. Heathcott, must regretfully tender my resignation as President of the Frontier Chapter of the Falcon Club of America, due to increased schedule conflicts and personal obligations. This resignation will be effective August 1, 1991.

I would like to thank those who have supported the club and myself over the years.

Please be assured that I will continue to assist Falcon lovers, known or unknown, in any way that I can.

(Old Falcon lovers don't die--they just get good gas mileage!)

Sincerely, Donald E. Heathcott

CHAPTERS

The CAROLINAS CHAPTER reports that two of its members attended the Sunshine Regional meet and won trophies (Butch Willis and Howard Baker). The chapter took notice in a recent meeting of legislation in Wisconsin, Missouri, and Maryland, and proposed legislation in California, which inhibits the old car hobby. The proposed California legislation would ban all pre-1970 vehicles, if adopted.

The FOUNDERS CHAPTER met in April and co-hosted a car meet at the Dale Horn Ford Dealership in Malvern, AR. There were 75 cars registered with 16 Falcons on display.

The GATEWAY CHAPTER held their June meeting while participating in the Route 66 Car Club car show in St. Clair, MO on June 22. In May several members went on the Route 66 Car Cruise, starting in St. Louis and traveling all of Old Route 66 that's possible to travel--about 110 miles west to Lebanon, MO. 130 cars 1970 and older participated in the really fun cruise. People all along the route turned out to watch the cars go by and waved at us. It was a long parade of cars. We made a stop in Rolla, MO for lunch at the city park and toured Fort Leonard Wood Army base, then continued on to Lebanon.

The HAWKEYE CHAPTER reports that 5 cars from the chapter were entered in the Johnston Mustang Show. 1st place went to Patrick Kluesner, 2nd to Ken Kenoyer, and 3rd to Howard Van Cannon.

The HEART OF TEXAS CHAPTER met June 8 at the Bonds Alley Festival in Hillsboro, TX. They had parking reserved on the town square for the Heart of Texas Chapter--we had 11 cars present! (The paper ran an article ahead of time saying we would be there) After the Festival, we went to a member's home on Lake Whitney for a fish fry. We had a great time eating, playing volley ball, and caravanning back and forth!

The KEYSTONE CHAPTER met at Memorial Lake State Park on June 15. 24 Falcons ranging from a 63 sedan to a 68 sedan were in attendance. A superb lunch arranged by members Bruce and Pam Wolfe was enjoyed by all along with a variety of covered dish desserts provided by the membership. A brief meeting was held discussing the September Eastern Regional Meet in King of Prussia, PA.

The LONE STAR CHAPTER reports that Orville and Joy Reynolds won the longest distance award at the Dale Horn Ford get together in Malvern, AR, as well as 1st place winner in the utilities class at the Sunshine State Regional in Orlando, FL.

The MASON DIXON CHAPTER was in attendance for the 2nd year at the Sully Antique Car Show in Chantilly, VA. Our Falcons made up a fine display of 13 cars. We had a fine day for a car show and six entrants took home trophies. We had two classes--open and closed, meaning convertibles and sedans. Sedans: 1st place to Glenn Kuhn (63 Sprint); 2nd place to Barbara Kuhn (64 Sprint); 3rd place to Bill Anonsen (65 2 dr). Convertibles: 1st place to Jim Carr (63 Futura); 2nd place to Frank Sellare (63 Sprint); and 3rd place to Eric Johnson (64 Futura).

The YANKEE CHAPTER met May 11 and June 15. At the May meeting there was discussion of parts available, cruise nites, and car shows in the area which the chapter might attend together. Joyce Mattucci, secretary, reports that she has been distributing many Falcon Club of America cards.
